Contemporary Issues in Diagnostic Pathology

November 13, 2010

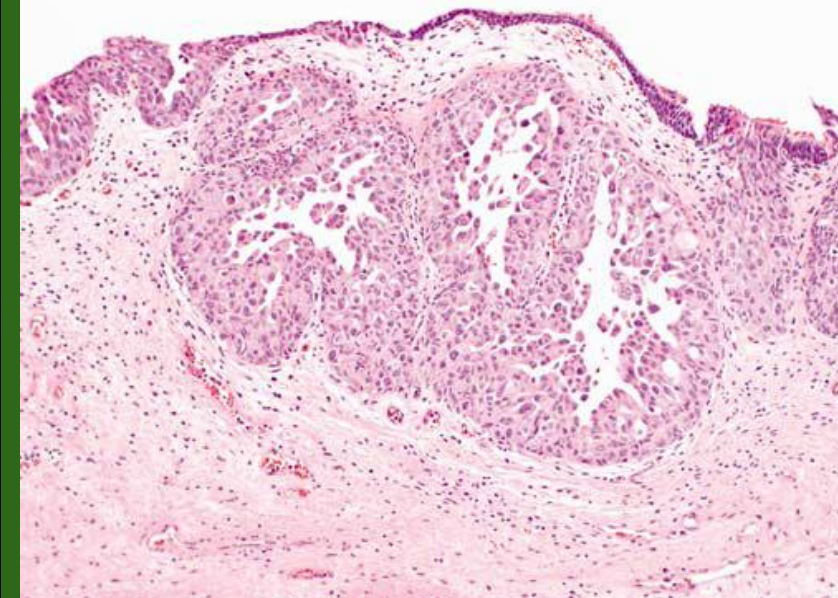

The Henry, Autograph Collection,

(formerly the Ritz-Carlton)

Dearborn, Michigan

School of Medicine

Course Director: Rouba Ali-Fehmi, M.D.
www.wsupathology.org

OBJECTIVES

TARGET AUDIENCE

This program has been designed for Pathologists, Clinicians, Pathology Residents and Fellows.

COURSE OBJECTIVE

The Department of Pathology at Wayne State University School of Medicine will present a full day, post-graduate course in the fields of Genitourinary and Gynecologic Pathology. **This will be a one of a kind course geared towards clinicians and pathologists alike.** The objective of this course is to provide an understanding of problematic and current issues in Genitourinary and Gynecologic Tumor pathology with emphasis on molecular, morphologic diagnostic features and clinicopathologic correlation. Upon completion of this course, you will be familiarized with recent advances in problematic diagnoses and newly recognized entities.

ACCREDITATION

The Wayne State University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Wayne State School of Medicine designates this educational activity for a maximum of **6.5 AMA PRA Category I Credit(s)TM**. Physicians should only claim credit commensurate with the extent of their participation in the activity.
